<b>Reference:</b>	<b>SAP – Research Assistant</b>
<b>Company Name:</b>	<b>SAP Co-innovation Center, Israel</b>
<b>Company Type: (Startup/Mature/...)</b>	<b>High Tech</b>
<b>Location (full address):</b>	<b>Ra'anana</b>
<b>Stay Duration: (min 2, max 6 months)</b>	<b>2-4 months</b>

#### Company Description:

SAP Co-innovation Center Israel is a subsidiary of SAP Co-Innovation Center Network, with a headquarters in Walldorf, Germany, part of SAP AG, one of Germany's largest companies. SAP Co-innovation Center Israel combines the strength of SAP as a leader in enterprise software with Israel's unique innovative culture best described as a "Startup Nation". Our mission is to identify cutting edge technologies and recommend its implementation within SAP's products. To accomplish these tasks, SAP Co-innovation Center Israel employs a selected team of researchers with strong ties in the Israeli startup community, the academia and fellow research organizations.

#### Job Description and Tasks:

A placement for a Graduate student in a research environment that requires excellence, dedication and hard work, while exposing the candidate to the latest developments in the areas of his or her research. The unique character of the team allows for smooth transition from an academic environment to the industry without compromising the ability to learn and develop in the area of interest:

- Machine Learning
- Predictive Analytics
- Database and SQL
- Rapid prototyping, preferably in C++
- Linux environment. Windows and mobile is a plus
- Evaluate new technologies and research papers. Present findings in meetings and reports
- Hours of work will be from Sunday to Thursday from 09:00am to 17:00pm

**Essential Requirements:**

- Fluent level of written and spoken English, additional languages are an advantage
- Studying for a related Master's degree
- Fast learner
- Quick understanding of processes
- Able to understand complex information
- Ability to carry out analysis to a detailed level
- Good communication skills
- Organized, persistent and determined

**Remuneration Details:**

Lunch and transportation expenses of the intern will be covered. The intern will have access to the company owned gym.
